Truckee Republican

83rd Year No. 52 | Truckee, Nevada County, California Thursday, November 27, 1952 | 10c copy - $3 a Year | Since 1869

National Guard Unit Proposed For This Region

Veterans Building May Be Used for Drills of New Platoon

Tentative agreement was reached Saturday for the California National Guard to use the Veterans Memorial Building at Truckee as a drilling place for a platoon.

The platoon will be organized in the Truckee area as part of Company E, 184th Infantry, National Guard, and will go to the armory at Nevada City once a month to drill with the rest of the company, under present plans.

The idea was outlined to the county supervisors by Lieut. Col. Clarence H. Pease of Sacramento, commander of the regiment, who was accompanied by his adjutant, Major James E. Sibley of Sacramento, and by Major Nicholas Brooks of Marysville, battalion commander.

The understanding reached provides that Pease will have a formal agreement drawn for submission to the board. It is to be renewable at the end of each fiscal year. The guard is to pay a purely nominal rental but is to assume a share of the costs of operating the building and to repair any damage it may cause in its drilling.

MEMBER OF OLD TRUCKEE FAMILY DIES IN VALLEY

A one-time member of the famed 601 Society which played an important part in clearing Truckee of hoodlums and crooks during the latter part of the 19th century, and a former employee of the old Truckee Lumber Company, is dead.

Frank Leland Baxter, 87, retired Southern Pacific telegrapher, died this week in his Durham, Butte County, home.

Baxter, son of Joseph Q. Baxter who came around Cape Horn from Quincy, Mass., in 1849, and Jane Pedler Baxter, who came across the plains from Platteville, Wis., in 1852, was born in Clarksville, El Dorado County. At an early age he settled with his parents in Placer County in what is now known as Baxter.

As a young man he worked for the Truckee Lumber Company. He later graduated from the Stockton Business College and for 43 years followed his profession as a telegrapher in various localities until his retirement in 1935, when he moved to Durham.

He and his wife, the former Bertha Elaine Wickman, whom he married in Enterprise, Butte County, celebrated their golden wedding anniversary in 1947.

He was a Mason and a member of the Eastern Star. Survivors are his wife, a son and daughter, nine grandchildren and one great grandchild.

SCHOOL BUDGETS, TAX METHODS ARE RAPPED BY JURY

AUBURN— The method of handling unsecured tax rolls and preparation of school budgets came in for sharp criticism by the Placer County Grand Jury in the final 1952 report submitted last week to Superior Judge Lowell L. Sparks.

The report stated that "school districts had developed an entirely new, and in the opinion of the jury, erroneous method of arriving at their budget figures."

Though taking the maximum of tax allowed by the law and considering that as income, the report said, the school authorities then try to find sufficient expense to balance the budget.

"This leads to waste and extravagance," the report concluded, adding that the superintendent of schools not only had approved this method but "encourages it."

The jury, which has no power to enforce and can only make recommendations, recommended that school budgets be made first, allowing that amount to govern the amount to be raised by taxes.

"Many districts do need the maximum allowed," the report declared, "but not all."

The jury recommended that the collector of the unsecured tax rolls use more diligence to collect those taxes. Evidence presented to the grand jury showed that in many instances there were taxpayers delinquent who were able to pay.

Guy Brundage, foreman of the grand jury, declared he had no comment on the report but stated that there were certain highlights therein that should receive serious consideration.

Visiting Dolleys—

Mrs. Gertrude McKeen and son, Bucky, of Fair Oaks are guests at the home of Mr. and Mrs. N. F. Dolley.

Ballot Canvass Fails To Alter Election Count

Tobiassen's Gain is Short Of Requirement In Count

Curtis R. Clark emerged the winner of the first district race for Nevada County supervisor when the count of the absentee ballots was finished at the court house Monday.

The absentee count showed 110 for Clark to 173 for incumbent Carl J. Tobiassen. Clark, with a lead of 1221 to 1099 over Tobiassen at the polling places November 4 needed only 81 of the absentees to win.

The total count was Clark 1331, Tobiassen 1272. Thus Clark won election by 59 votes.

Clark and John L. Frank, winner of the second (Grass Valley) supervisorial district race against incumbent Frank Rowe (2894 to 2286), are to receive certificates of election by order of the board of supervisors, which officially canvassed the tally. They will attend their first session as supervisors January 5 when they will join Supervisors J. C. Coughlan and Guy N. Robinson, holdovers, and Henry G. Loehr, who won reelection in the fifth (Truckee) district at the primary election in June.

.... ADD VOTING ....

In other final results, tabulated by County Clerk R. E. Deeble, President-elect Eisenhower was heavily favored over Governor Stevenson, the count for president being Eisenhower 6,252; Stevenson 3,476; Hallinan 46; Hamblen 36; Haas 7; MacArthur 1.

For U. S. Senator, William F. Knowland swamped Reuben W. Borough, Independent Progressive, 7,838 to 954. Representative Clair Engle, without opposition, polled 7,739. For state senator, Harold Johnson polled 7,604 and for assemblyman, Francis Lindsay tallied 7,031. Both the latter had no ballot opponents.

On the 24 ballot propositions the count was:

	YES	NO
No. 1	6702	1384
No. 2	5159	3471
No. 3	4248	4592
No. 4	4978	3068
No. 5	4681	2823
No. 6	4433	3037
No. 7	5298	1814
No. 8	5203	2218
No. 9	5086	2212
No. 10	2945	4770
No. 11	3748	4926
No. 12	5462	1550
No. 13	3526	4407
No. 14	4880	2240
No. 15	6225	1031
No. 16	4622	1705
No. 17	3543	3619
No. 18	3629	2801
No. 19	3708	2157
No. 20	3637	3396
No. 21	5393	1191
No. 22	3752	2956
No. 23	3190	3249
No. 24	5322	2320

Deeble revealed that Nevada County broke two records in the election November 4. There were 9,993 votes cast — a numerical record. There was a record registration of 11,849 and 84.33 percent voted, a new high for percentage.

WYETHIA DINNER ENJOYED BY 50

More than fifty members attended the Wyethia Club dinner at Donner Lake Lodge last Friday evening when Mrs. Fred Pedley, incoming president, and other elected officers assumed their positions. Appointive officers will be announced at a later date.

A gift was presented to Mrs. David Rose, retiring head of the club, for her work for the organization. She was hostess at a party for her co-workers preceding the affair.

Ray Roberts Reported To be Seriously Ill

Mrs. Ray Roberts has written from North San Juan that the family will remain there for an indefinite stay, as her husband is seriously ill and bedfast, the lower and milder climate being deemed necessary for his health.

Sun Beams

by Walter M. Barrett

If it was possible through any other means to accomplish what is absolutely necessary to bring an adequate water system to the fast growing and progressive Donner Summit district, we might oppose the proposed bond issue. However, it appears that every other measure suggested has failed and the bond issue plus the annexation of adjacent lands offers the most sensible solution to a difficult problem. We believe the directors of the Donner Summit Public Utility District should be supported unanimously in their latest move and the bond issue should carry unanimously. The action of the voters may well determine the future of one of the nation's leading resort areas.

* * * *

With the advance of the fall season, darkness is falling early and is making additional hazards for motorists. One of the most noticeable of these is the number of boys who continue to ride bicycles along the streets and highways without lights and with an apparent disregard for motor traffic, despite the darkness. The law requires that bicycles, when in use at night, be equipped with head and tail lights and this is important. Often drivers of cars and trucks may be momentarily blinded by an approaching light and fail to see the cyclist. Drivers are asked to use more than usual caution during the evening hours to avoid accidents.

PALO ALTAN WILL HAVE HEARING ON DRIVING CHARGE

Erastus Snow Haws Jr. of Palo Alto will be taken from the county jail at Nevada City for a preliminary hearing at Truckee on charges of driving while drunk, causing an accident with injury to others and driving while under a license suspension.

He was arrested November 16 by State Patrolman William Gautsche after his car and one occupied by Mr. and Mrs. Harvey Serfried and Mr. and Mrs. D. Fuller, all of San Francisco, collided near Floriston. All were treated at the Tahoe Forest Hospital and released.

Haws was held in lieu of $2,000 bail set by Judge F. W. Wilson in the local justice court.

JAMES BAYS WILL SERVE ON LOCAL FIRE COMMISSION

The Nevada County board of supervisors on Saturday appointed James F. Bays, Southern Pacific trainmaster here, to fill a vacancy on the Truckee Fire District commission.

Bays will fill out the unexpired term of B. J. Riordan, retired Southern Pacific roundhouse foreman at Truckee, who has moved to Sacramento. The term ends in April, 1953.

Bays' appointment was recommended by the other two commissioners, Anthony Pace and R. N. Little.

PLANS APPROVED FOR SPAN OVER TRUCKEE RIVER

Plans and specifications for a steel and wooden bridge across the Truckee River at Floriston were approved by the Nevada County board of supervisors Saturday.

The action enables County Engineer J. F. O'Connor to submit the plans to the state for approval —a necessary step toward obtaining state matching money for the project.

Under the plans there are to be four concrete piers holding up a steel bridge with plank flooring and wooden railing. The bridge is to have a 14-ton limit and the road way is to be 10 feet wide.

BIRTHDATE

Frankie Borden was the honoree at a birthday party Saturday when he was 11 years old. Twenty school friends gathered to wish him happy birthday and to share a pink and white cake, ice cream cones and punch.

THE TRADITION OF THANKSGIVING IN AMERICA STEMS FROM THE PRAYERFUL CELEBRATION BY THE PILGRIM COLONY OF FREEDOM AND A BOUNTIFUL CROP.

HUBERT MATHIEU

THE OBSERVANCE OF THANKSGIVING BY AMERICANS TODAY, IN PLACES OF WORSHIP AND IN THE FAMILY CIRCLE THROUGHOUT THE NATION, CELEBRATES THE SPIRITUAL AND POLITICAL FREEDOM AND THE MATERIAL WELL-BEING WE HAVE ACHIEVED BY HOLDING FAST TO THE IDEALS OF OUR DEMOCRACY.

T. C. POSTMASTER IS MARRIED AT TRUCKEE SERVICE

TAHOE CITY— On Sunday, November 23, Oliver Corona and Hannah Anna Herrmann were united in an impressive double ring ceremony performed by Rev. A. A. Carmitchel of the Truckee Methodist Church in the parlor of the parsonage. In attendance were Corona's mother, Mrs. Katherine Corona; his uncle and aunt, Mr. and Mrs. Nate P. Sexton, and Mrs. Carmitchel.

The bride was attired in a black dress and hat, set off by a corsage of red carnations. She is the daughter of Mr. and Mrs. Ernst Hermann of Wildbad, Germany, and has only been in the United States for about a year and a half. During most of this time, she has been employed in the household of the family of Dr. Henry Searls, noted San Francisco physician, at both their Lake Tahoe and bay city homes.

Corona entered the U.S. Army as a private in World War II, emerging four years later as a captain. In 1946 he entered the postal service, becoming acting postmaster at Tahoe City. On June 10, 1949, he was appointed postmaster by the president and holds this position at present.

The newlyweds will make their home with his mother at Tahoe City.

HOSPITAL BOARD MEMBERS NAMED BY SUPERVISORS

At the request of the board of directors of the Tahoe Forest Hospital District, the Nevada County board of supervisors Saturday appointed James A. Sherritt of Soda Springs and Asa E. Abbott of Kings Beach to vacancies on the hospital board.

Sherritt and Abbott, both incumbent directors, had filed for election but had found themselves unopposed. The directors felt an election was not necessary under the circumstances and asked the supervisors to appoint the pair.

The new terms will begin January 1, 1953.

Robert Buddle Unhurt After Reno Accident

James F. Tow, 31, Reno, was cited at Reno for driving his delivery truck on the wrong side of the street last week after his vehicle crashed into the coupe driven by Robert J. Buddle, operator of the Southern Pacific Hotel in Truckee. No one was reported injured in the collision.

ACCIDENT SUIT IS UNDER WAY IN NEVADA CITY

One of the jurors hearing evidence in the $100,000 damage action against Jarol H. and Barbara Jansen of Donner Summit by Edward J. Johnson, an ex-Air Force man of Portland, Oregon, as the result of an accident at the Jansen home May 18, 1951, is Mrs. Norma Highfill of Truckee.

Johnson charges that while a guest at the Jansen home he leaned against a railing which gave way and he fell, breaking his back. He alleges that he was introduced to Mrs. Jansen and a companion and entered into a verbal agreement to take them home in his car, in return for which service she would give him and a male companion hot coffee and show them the view from her home.

It was while he was enjoying the view that the railing collapsed, he charges.

Albert Bequette Wins State School Position

Albert F. Bequette of Placer County has been elected president of the Association of California County School Superintendents for 1953. He was chosen to succeed Alvin Rhodes of San Luis Obispo at the close of the organization's annual conference in the Library and Courts Building at Sacramento.

LOUIS GOICOA IS LOCATED IN JAPAN

Louis Goicoa, storekeeper seaman with the U. S. Navy, recently reported for duty at the Naval Station at Atsugi, Japan. Louis is the son of Mr. and Mrs. Maximo Goicoa and is a graduate of the local high school.

First Skiing Mishap Is Reported Here

The first skiing mishap of the year was reported Sunday by Dr. L. D. Nelson, who reported he treated Robert Cameron of Burlingame for an injured back. The accident occurred at Lake Tahoe.

Tackett Divorce Action Filed in County Court

Lois Zeta Tackett has filed suit in the superior court of Nevada County against Harrie Keen Tackett, seeking a divorce on grounds of failure to provide. The action was filed November 29, 1952.

Thanksgiving Birthdate—

Donna Barnes is observing her ninth birthdate on November 27.

Basketball Team To Play Lassen Here Saturday

Three Games Featured On High School Court This Week

The Tahoe-Truckee High School Wolverines will play their second basketball game of the 1952-53 season Saturday night, November 29, when they entertain the A, B and C teams from Lassen High School. The C game will be the curtain raiser, starting at 6:30 p.m. in the Tahoe-Truckee High gym. The B and A games will follow in that order.

With a total turnout of 40 boys for the basketball teams, Coach Jim Brehler is working the squad every afternoon to prepare them for the 24-game schedule ahead for the Wolverines.

Leading the A team will be seniors Bob Tonini, Joe Copeland and Sheldon Jones, while the juniors have Dave Wagner and Ray Dixon on the starting five. Also due to see plenty of action this year will be John Moore, Tom Grow, Les Lazzari and small but rugged Charlie Smith. Tonini, a six foot two center, looks to be a standout at his key position, with Dixon doing lots of scoring and feeding with his clever ball handling and sharp eye. Copeland and Jones, both fast and accurate, will add needed height to the team. Wagner, a sharp-shooting southpaw, will round out the first five.

The B squad will be paced by five returning veterans from last year's squad. The two small but fast forwards, Dallas Marquis and Louie Ramirez, will be able to feed to two alternating centers, Eugene Carillo or Bill McClain. At the guard positions, the locals will have Jerry Quam and Bill Port.

The C quintet will have a starting line-up of Mike Soltau and Dick Rood as forwards, Stan Rasmussen at center, Bob Sanford and Wilbur Conyers at the guard positions.

Admission prices for all home games are adults 60 cents, elementary students 10 cents, and student body card holders 25 cents.

COUNTY SEEKING SNOW EQUIPMENT FOR THIS WINTER

Nevada County wants to be better prepared for this winter than it was for last.

At the suggestion of Chairman Henry G. Loehr of Truckee, the board of supervisors Saturday authorized Purchasing Agent W. N. McCormack to negotiate for purchase of a used but usable three-auger Sno-Go from the state division of highways.

This equipment is to be used in the eastern end of the county and the two-auger Sno-Cat now employed in this area is to be placed in condition and used in the lower elevation western sections of the county.

Loehr said the present Sno-Go saw more than 200 hours of service last winter and more than 100 hours the year before.

RENO PRISONER RETURNED HERE

George Thomas Busby, 33, a truck driver, who escaped while serving a sentence in Truckee jail last August, was located this week in jail at Reno where he was serving a 10 day sentence on a routine disorderly charge. He is being returned to Truckee on a bench warrant by Deputy Sheriff Roy Waters.

LOCAL WOMAN IS INJURED BY FALL

Mrs. R. R. Rockholm of Truckee was taken to the Tahoe Forest Hospital Wednesday afternoon after she slipped on the ice in front of the Masonic Building and fell, breaking her right ankle. She was treated by Dr. L. D. Nelson.

Mrs. Rockholm is employed by R. N. Little in his insurance office.

Attend "Big Game"—

Mr. and Mrs. George Kaspian attended the California - Stanford football game last weekend.

Summit Utility Will Ballot On Water System

Annexation Meeting Also Scheduled by Utility Board

A special district election will be held on Donner Summit Tuesday, December 16, to determine whether or not a bonded indebtedness of $85,000, proposed by the board of directors of the Donner Summit Public Utility District, shall be approved.

The money, if raised, will be used for the purpose of acquiring and constructing a water system for domestic and fire protection purposes. A storage and distribution system would be financed through the bond issue.

The election follows passage or a resolution by the board on September 30, declaring that "the public interest and necessity of the district demand the acquisition and construction of said public utility and utility works."

The resolution found that the proceeds from the present district are not sufficient to provide the improvement and that the bond issue remained the only solution.

Details of the proposal are contained in Ordinance No. 7, passed by the board and which appears on another page of the Sierra Sun today. The ordinance was passed by the board on November 7 with Directors Virgil G. Misener, Elmo Moriano, Henry W. Piche' and Charles Vind favoring the action. Director William Rutherford was absent from the meeting.

Annexation Required

At the same time the directors of the district set December 9 at 8 o'clock p.m. as the date for a hearing on Ordinance No. 8, which proposes to annex certain property to the utility district. The meeting will be held at Beacon Hill Lodge. Anyone interested is invited to attend the meeting and show cause, if any they have, why the property should not be annexed.

A full description of the property proposed to be annexed also appears elsewhere in the Sierra Sun today. All the directors, except Rutherford, who was absent, favored the annexation.

Long an Issue

The manner and means of supplying domestic water on the Summit has long been a hot issue. Resorts particularly have been disturbed by the conditions which have existed and a number of public meetings, many of which have waxed hot and heavy at times, have been held as residents and property owners sought to solve the problem.

Threats that current water supplies would be shut off as health measures were made by state officials as directors of the district and their supporters worked diligently to bring the matter to a reasonable and applicable solution. Much of the opposition to the plan has dissolved over the months and the current plan to bond the district to care for the necessity is apparently meeting with approval.

The annexation was deemed necessary because of the close confines of the district. At the time the district was formed, many property owners throughout the area asked for and were granted exclusion, leaving an area too small to carry by taxation the load required to accomplish the purposes for which the district was organized.

It is pointed out in the notice by the directors that the areas to be annexed, as well as the existing district, will be benefited from the proposed new water system.

Nancy Jane Goss Born at Hospital

Mr. and Mrs. Lonnie Goss of Soda Springs are parents of an eight pounds one ounce baby daughter born at 11:54 p.m. Saturday, November 22, at the Tahoe Forest Hospital. Little Miss Nancy Jane and her mother returned home Wednesday. Dr. L. D. Nelson was the attending physician.

Gamlin and Wallace Honored at Dinner

At Thanksgiving dinner at Yuba Gap maintenance station Tuesday evening, certificates and pins were presented to two division of highways employees who had completed 25 years or more of state service prior to December 31, 1951.

A. M. Nash, district engineer, made the presentation to Dewey O. Gamlin of Dutch Flat and Robert G. Wallace of Sierraville. Both men, prior to December, 1951, completed almost 26 years of state service.

From South of State—

Mr. and Mrs. Seymour Watrous and children, Jimmy and Katherine, of Los Angeles, are visitors at the Wm. Englehart Jr. home this week.

SUMMIT SCENE

by FRAN COUILLARD

'Tis seldom that this early in the season of winter's beginning that we report skiing on the hills. The couple of feet of snow which fell several days ago icily and tenaciously clings to the earth's surface and lures the type of sportsman to whom skiing is his all. Amongst these who were seen these last couple of weekends were, naturally, the skiing Bueks who hold forth as the royal family of the Soda Springs Ski Corporation and initiate the hill with the first ski marks of the season. Gratz Powers and Johnnie Fountain, both ski and sport shop operators from San Francisco, yodel their way down the hill after the Bueks. Ice hath no terrors for the boys who have learned control and we happily report that no accidents occurred.

Saturday night, November 28, is the first of the party series. We reluctantly report that this party is a farewell in honor of Bud and Betty Horak. This popular couple leave Donner Summit Lodge and their great number of friends here to go into business for themselves after their recent sale of DSL. Everyone is invited and if you do not receive a personal invitation, please accept this as your very own invitation.

Following this, Jack Woodard announces that his seasonal license permits him to open Donner Ski Ranch on December 1. Jack, who has startled the mountain with his unique ideas, the last one being an Hawaiian luau, now pops up with a Mexican theme for his deal on December 6. Pastelillos de carne en parillas, fritada, quesdo fondue, enchiladas, tortillas, tacos and frijoles! Senoritas, seranades, reboses and sombreros—might be some tequilla too. Having attended some of Jack's parties—and being an addict of Mexican food—we imagine that nothing less than pneumonia will keep us away. We shake the moths out of our serape and practice holding a rose in our teeth for December 6.

Charlie Secco, who changed the name of his charming mountain lodge from Chantarella to Crest Lodge (and installs a twinkling neon to that effect) gets in line next with December 13. Don't know if Charlie has a theme or not or if he just plans on throwing open his doors to the curious who might like to know what has occurred this busy summer of his, with workmen swarming all over the place.

We report the gathering at Barbara Zorich's this past mid-week to honor Rose Goss, who plans on increasing the Lonnie Goss family shortly. About 20 mountain gals sat in a cozy circle whilst Rose opened her many prettily wrapped packages. Co-hostesses Day Tschopp and Gloria Parrott whipped around to help Barbara serve the buffett which was topped off by Day's delicious cakes. Barbara's party was also in the nature of an open house, for she and husband "Bud" have worked all summer remodeling the Dr. Garland "Clinic" (the Garland's charming name for their mountain home) to make it one of the show places of The Hill.

Good friend Ellen Flynn spent the past week end with yours truly and to the many mountain friends she didn't get around to greeting, Ellen says she'll be back again soon. Ellen is employed by the Sacramento Chamber of Commerce which reminds us that another good friend of the hill, Ray Kronemeyer, stares at us from a valley newspaper which announces that Ray is now head of the Sacramento Convention Bureau.

After a week of painting, scrubbing and cleaning up the charming Snow Flake at the foot of the Soda Springs Ski Hill, Wanda Misener helps husband Virg pack the car to head toward southern California for a little while. The Snow Flake now stands ready to greet the season when Wanda returns. Milton and Helen Hogle move up from their Rainbow home to be closer to their operations on the ski hill.

Guess you're waiting for a report on the Donner Party! We're sorry to confess that we are not as hardy as the members of that first ill-fated Donner Party. We who have chosen to live on the trail that made this country famous are sissies. With everything lined up to go, the season's first big snow overtook us and we had no place to park the many cars that were expected, so there was nothing to do except cancel out. What to do with our big clothes basket containing all the makings for a holiday dinner? From cocktails to an after dinner demi-tasse and all the in betweens like a turkey, salad makings, pumpkin pie makings, vegetables, nuts, mints, dinner wine and the works. The proceeds from this delectable dinner basket were to have been dumped in the Donner U. S. 40 Chamber of Commerce coffers. So what to do? You'll find out! Think now that perhaps our Donner Party will have to be a spring event and we gals that labored o'er our Donner Party fol-de-rols shall hang them up until further announcements. Sorry we couldn't have seen Velda Parsons in that sunbonnet that's supposed to be a big dark secret. Sorry that Pickles Buek "robbed" a city museum for her outfit only to have to return it unworn. Sorry that the fryers and rabbits and the turkeys and home made cakes that were to have been in long-planned box lunches had to be eaten by the family at home. Sorry that Doc Widing didn't get his "party's off" message and came up the hill to have fun. Just plain sorry that we didn' and couldn't have the Donner Party as planned but we'll let you know in plenty of time next time.

Jim Marrott, the potato chip, cocktail and cracker man (and head of the Marrott Enterprises) still labors to bring in a clearer TV picture on his astonishing installation in the little valley off Highway 40. Jim's many experiments with a ste that i three years old is causing quite a wave of enthusiasm and hope in this mountain area.

The Morianos, Jeannie and Elmo of Beacon Hill, light for a moment at their lodge after flying all over the country after winged creatures, including pheasant and duck. In the short interim during their flight they made a landing at Richmond where the rest of the family had gathered to give Mama Emma Moriano a surprise birthday party.

New faces filter into the area as the various lodges get ready for what they hope will be a bang-up winter season. From Santa Cruz come three recruits. Number one is Danny O'Brien, cocktail artist at Soda Springs Hotel. Numbers two and three are V. C. and Alice Hogan, who are installed as resident managers of the Santa Cruz Lodge on our mountain.

We hear tell that Lola Schull will be at home Thanksgiving. That valiant lady, fighting continually against the chains of arthritis, is undergoing treatment in the bay area. Gale Brown, Charlie Kemp, Henry Piche and Lola's husband, Kirby, recently took a quiet trip to Reno to the blood bank where each gave blood as a contribution to aid Lola's treatment.

We are reading an invitation to a wedding that we know that Eleanor and Johnnie Johansen, John Carl, Elmo and Jeannie Moriano, and ourselves are going to attend. 'Twill barely give any of us time to jump up from Thanksgiving dinner and make it, for lovely Pat Bourdet, daughter of Frank and Irene who divide their time between Burlingame and Soda Springs, marries Lee Bonesteel in Our Lady of the Angels Church on Saturday next.

DONNER TRAIL SCHOOL

This week at the Donner Trail School children selected a play for their Christmas program and the girls are busy making choices for the parts and are writing parts for each player. Pupils are also learning the Christmas songs for this year and listening to recordings of famous singers singing these songs.

The younger group of children have completed their community project and are now studying "Rules with the Ruler" in preparation for making a small copy of a post office.

The older group has completed pouring the cement for our California Mission and will now start on the roof. This project will be completed in about three weeks.

Mrs. Charlotte Patnoude, the school district nurse, visited us Monday, November 24, and talked about germs, contagious diseases, cleanliness and sanitation.

Russian River

The Lena River, which rises in the Baikal Mountains in the USSR is about 2800 miles long.

FLORENCE SLADE LAID TO REST AT TAHOE CITY

TAHOE CITY— Funeral services were held Saturday afternoon at the Truckee Colonial Mortuary for Mrs. Florence Slade, who expired following a lengthy illness last Wednesday. Burial was in the Tahoe City cemetery and Rev. A. A. Carmitchel officiated at the last rites.

Mrs. Slade was a life-long resident of California, born in Siskiyou County November 20, 1906, the daughter of Mr. and Mrs. Albert Ford, pioneer California residents. She came to Lake Tahoe in 1931 and in 1940 was married to Henry Slade, well known resident of Tahoe City.

A school teacher by profession, Mrs. Slade had a life certificate in teaching and had taught at Vallejo, Modesto and Salinas. She had been postmaster at Chambers on Tahoe for six years and for a year she and her husband operated the telephone exchange at Homewood.

Pall bearers at the services were Charles Heller, Laurence Rood, Kjell Rustad, Albert Henry Jr., Harry Johanson and Ray Machem.

Beside her husband, Mrs. Slade leaves two brothers,, Francis Ford of Susanville and Robert Ford, now a patient with a broken back in the Franklin Hospital at San Francisco. Her mother died at Susanville a month ago.

Sympathy of the community is extended the family.

Clear and Chilly Status Of Tahoe Weather

TAHOE CITY— Clear and cold was the weather menu at Tahoe City for the week ending at 8 p.m. Monday, according to Meteorologist A. E. Frodenberg. Daily high and low temperatures were Nov. 17th: 37, 13; 18th: 42, 18; 19th: 43, 20; 20th: 45, 22; 21st: 39, 23; 22nd: 29, 13; 23rd: 29, 21; 24th: low, 10.

With 11 gates open, the lake level was 6227.60 and there was 7 inches of snow on the ground on Monday morning.

Now at San Jose—

Mrs. M. C. Hart, who spent the summer at Tahoe Vista, is now located at San Jose.

Did you know that:

Odds are 8 to 1 against bringing in a producing well...

in an area where oil has never been found before. Yet in spite of the great risks involved, U. S. oilmen last year found the greatest volume of oil in history.

Searching for oil is a risky business. And it is only one of the many things we oilmen must do to keep your family car rolling and to meet other record demands for fuels and lubricants. We're proud to be part of the competitive, progressive oil industry that brings better living to this community.

Tahoe Topics

by JEANNETTE MITCHELL

This third week of November find we Tahoeites in the throes of a very happy pre-holiday social and newsy cycle.

One of the gayest and best attended functions was the housewarming party given by the Bert Andersons of Pineland. Friends and neighbors from around the lake and bay areas found the doors wide open upon their arrival. Regardless of the heavy mantle of new snow, real friends and people got together and really gave the beautiful new Anderson home a hearty "warming up" for many future years of good and happy living. Mr. and Mrs. Anderson and son Gary have won a most favored spot in the hearts of all Tahoeites.

On November 18 there was a farewell dinner party for the Ray Fellows of the Carnelian Bay Resort, given by the Jay Shontzes in full theme and humor of the Hawaiian trip planned by the Fellows, whose departure for a flying trip is Tuesday morning, November 25, from San Francisco. Those present for the send off, attired in full beachcombers regalia, were the Bill Bechdolts, Bill having braved Tahoe's first snows to arrive in shorts with a gaily decorated surf board "Hawaii or Bust" and two miniature dolls glued on depicting Marge and Ray Fellows. Other guests enjoying the occasion were Mr. and Mrs. Al Henry, Mr. and Mrs. Jack Starratt, Mr. and Mrs. Robert Pomin, all bedecked with some form of Hawaiian gear and bearing amusing but usable farewell gifts. All through the dinner and evening, the playing of Hawaiian records cast the island spell over the party.

Wednesday night, November 19, Mrs. Richard Carnell and Mrs. Gus Gehlert joined to favor Mrs. Charles Cross Jr. with a delightful pink and blue shower. Following an evening of fun and games and delicious refreshments, the following guests took their reluctant leave: Barbara Spitsen, Mrs. Vanni, Rose Boyiaredes, Beulah Astle, Betty Weller, Betty Starratt, Izzie Porter, Blanche Donaldson, Beulah Carnell and Mrs. O'Neill of Tahoma.

While on the subject of pink and blue parties, we find that Mrs. Marshall Ruhkala of Lake Forest was honored by her friends at the home of Mrs. Walter Mandeville at Crystal Bay. Pot luck refreshments were served amid beautiful and appropriate decorations. Many past-anxious fathers were present to help give suggestions to the incumbent anxious father. Those entering into the fun of the evening were Mr. and Mrs. Steve Korich, Mr. and Mrs. Ernie LePire, Mr. and Mrs. Jesse Brown, Mr. and Mrs. Paul Mullis, Mr. and Mrs. Bud Mandeville.

The Pen and Brush Club held its first meeting of the season on the night of November 19 at the home of Mrs. Clarence Vernon at Tahoe City. Present were Mrs. Vernon, president; Laura Wilson, secretary and treasurer; Anne Anderson, Ruth Mayfield, Jeannette Mitchell, Alyce Saunders, Mildred Brown. Nomination and election of officers were held, with Mrs. Vernon being retained as president. Mrs. Mitchell was named vice president and Mrs. Wilson remains as the competent secretary and treasurer. A program committee was appointed to have club activities to follow through the year at every meeting, Mrs. Anderson and Mrs. Wilson be designated. The first activity program, which also will carry through future meetings, begins with a competitive writing in form best appreciated by each member on the subject "True Fellowship." A prize will be given the winner, who will in turn choose the next topic. It was also suggested that one member be chosen for each meeting to read a poem or writing or display to her liking a form of art appreciated by her personally. Mrs. Mitchell will be the first to initiate this plan at the meeting to be held at 7:30 p.m. Thursday, December 4 at the home of Mrs. Ann Anderson. All persons interested in poetry or any of the other fine arts are requested to join this group. The evening closed with the serving of refreshments and group singing to the accompaniment of Mrs. Wilson and Mrs. Mayfield at the piano and Mrs. Brown with the mandolin.

Last Thursday there was a children's assembly at the Tahoe Lake School auditorium, well attended by parents who watched an hour-long program of their children's talents. The assembly was followed by a short PTA meeting at which particulars of a fund-raising campaign, culminating on December 18, were divulged. Tickets will be available at local stores and from various PTA members.

The Tahoe City Rotary Club held their regular meeting November 18 at Homewood Resort. President Denis Sach announced the annual Christmas tree party will be held this year the night the Tahoe elementary school is out and will be held under the Big Tree in Tahoe City at 7:30 in the evening. All children to and including the sixth grade and all pre-school aged youngsters will be feted. Parents of pre-schoolers are asked to sign their child's name and age on the notices posted in local stores and the post office, if they plan to be in this area on that date. Outdoor movies for the children will be shown if weather permits. All cash donations will be gratefully received. Donors are asked to contact Denis Sach or Don Snyder. This program is carried on by all Tahoe City service organizations, under the leadership of the Rotary Club.

Reports from one of our favorite "old timers," Carl Bechdolt of Tahoe City, say that Carl is still in Reno's St. Mary's Hospital but is improving. Good luck, Carl, and come home soon.

We hear Mrs. Herman Tiedeman of Homewood is also recovering rapidly from her emergency appendectomy last week.

With our blanket of snow that covered our area last week, citizens felt their first handclasp of winter as many rushed for anti-freeze, chains and snowtread tires upon the first encounter of worn tires on icy roads. It's a wise man that sees to these precautions for his own safety and that of his fellow men. Noted too that the Tallac exchange was out for two days when Old Man Winter held onto "summerized" lines a mite too hard. Service is normal again. Let's take time out right now to give an audible vote of thanks to our telephone men and women and to those just as capable on the power crews. They are our life lines and should have our greatest respect.

Back home in Tahoe City are Mr. and Mrs. Norman Mayfield, after a six weeks' trip covering 7500 miles. Taking in Salt Lake City, Denver and thence to Illinois, Madison, Wis.; Detroit, Mich.; Niagara Falls, St. Louis and way points. They commented expressively on the beautiful coloring of the eastern maples which were in full color.

Other returnees are the Lincoln Dempseys. He is now driving one of our school buses.

Mrs. Truman Sunkel is home again following a trip to Texas to visit relatives. She will winter in Colfax and make occasional trips up to her home at Tahoma.

Back from a well deserved vacation is Katherine Stanner of Tahoma, who visited San Francisco and then traveled as far away as Arizona.

Hear the A. M. Henrys have arrived safely at their destination, daughter Pat's home in Maryland.

Friends are receiving amusing cards from the Howard Guths of Sunnyside, last heard from at Galveston, Texas, on their way east, with New Orleans the immediate goal.

Mr. and Mrs. Walter C. Saunders of Pineland have left for the winter and are heard of from Douglas, Arizona, after a trip eventful for rain and snow on the way.

Leaving almost any day now for their Oregon trip and return through San Francisco are Mr. and Mrs. Snyder Sr. and son Bob of Lake Forest.

Jay and Beccy Shontz have left for their short annual vacation in the Woodland area, planning to return this Tuesday evening.

Mr. and Mrs. Fred Main have left for their winter home in South Laguna Beach. Fred will be back and forth through the interim on business trips.

Off for the first pheasant hunt of the season was Harry Mead of Sunnyside. Also leaving for the weekend were the Imon Mitchells and son Dale, accompanied by Bert Anderson and Loren Holmwood. Hear also that Bill Bechdolt and Jay Shontz will be joining others around the Woodland area. Headed for Knights Landing

CHIEF DOLLEY WARNS OF FIRE PERIL IN CHRISTMAS SEASON

Fire Chief N. F. "Tom" Dolley of the Truckee Volunteer Fire Department warned this week that combustible Christmas decorations introduce serious fire hazards during the current season, and asked local citizens to take extra care to avoid turning holiday cheer into grief and tragedy.

Chief Dolley recalled last year's tragic Christmas fire in Tijuana, Baja California, when 34 died and 98 were injured in a fire resulting from a blazing Christmas tree at the annual charity party for orphans and poor children. To prevent a similar disaster this year, he urged that these safety rules suggested by the National Board of Fire Underwriters be followed by any persons or organizations holding parties at home, school or church:

1. Don't locate the Christmas tree near any stairway or hallway which would provide a draft.

2. The tree should not block a door or any exits.

3. An inspection of the tree should be made to determine whether the tree has dried out to the point that it should be removed.

4. Be sure plenty of ashtrays are provided for smokers. Don't allow smoking near the Christmas tree.

5. Be sure that all decorations throughout the room have been flameproofed.

6-. Avoid using net or gauze-like fabrics for dresses, costumes or children's clothes. Loosely woven fabrics easily catch fire.

7. If loosely woven costumes have to be worn, they should be flameproofed with the following solution: mix nine ounces of borax and four ounces of boric acid in a gallon of water. Dip the fabric into this solution, wring by hand, then hang to dry. This flameproofing method must be repeated after each laundering of the garment.

WORKING WOMEN

SACRAMENTO —(C. N. S.)— California's manufacturing industries employed 270,600 women in August, more than at any time since World War II, the state department of employment reports this week.

THANKSIVING TEXT FOR SERVICE FROM 96TH PSALM

"O sing unto the Lord a new song: sing unto the Lord, all the earth." This verse from the Ninety-sixth Psalm will be the Golden Text in all Christian Science churches in the United States on Thursday, November 27.

From John the following verses will be read:

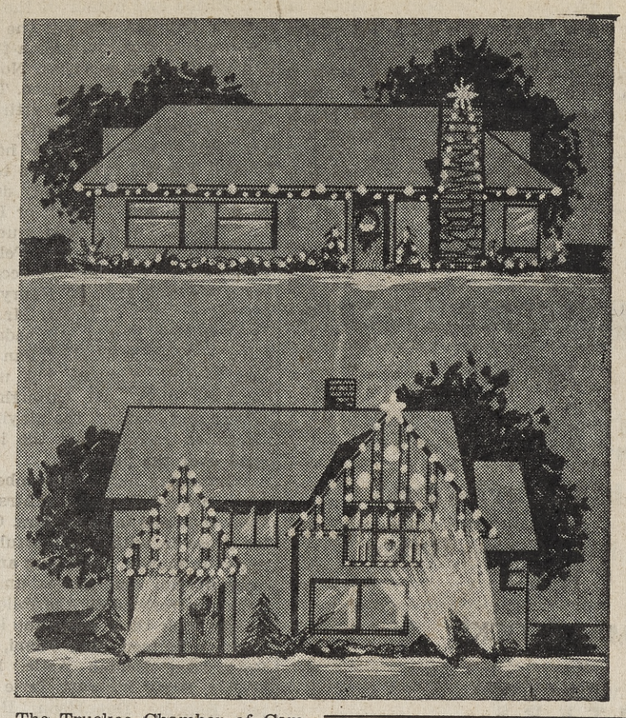
"Jesus saith unto him, Have I been so long time with you, and yet hast thou nnt known me, Philip? he that hath seen me hath seen the Father; and how sayest thou then, Shew us the Father? Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father" (14:9, 12).

Correlative passages from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will include the following:

"The promises will be fulfilled. The time for the reappearing of the divine healing is throughout all time; and whosoever layeth his earthly all on the altar of divine Science, drinketh of Christ's cup now, and is endued with the spirit and power of Christian healing" (p.55).

Thanksgiving services are being held by the Truckee Group of Christian Scientists in the Wyethia Club at 11 a.m. November 27.

Truckee Chamber Sponsors Holiday Decoration Contest



The Truckee Chamber of Commerce this year is offering prizes for outdoor Christmas decorations for local businesses and residences. The business awards are $50 and $25 while residential winners will receive $25 and $10. The prizes will be in the form of merchandise orders.

Don's overlook the architectural features of your house when planning outdoor decorations.

General Electric holiday lighting specialists suggest tthat sometimes just the slant of a roof top or gables can suggest a design for outdoor lights.

As sketched at the top above, modern ranch-type homes often lend themselves to a horizontal pattern of lighting. Notice how the lights on the drawing are carried along the eaves until they reach the chimney, where they follow its line in a sharp upward sweep.

For the older type home, gables often create a natural pattern to follow when installing lights. In to colored lights, spotlights with color caps are placed in front of the house to bathe it in soft colored light.

To qualify under the local chamber's contest, decoration projects must be completed at least a week before Christmas; must be visible from street or highway; may be either interior or exterior displays; must be decorated by the owner, resident or bona fide employee. Boundaries of the contest area are the chicken ranch on the east and Donner Monument to the west.

New State Records Seen For Outdoor Sports

SACRAMENTO —(C. N. S.)— Predictions of a record number of hunters and fishermen in California this year are holding up, the state department of fish and game reports.

Hunting license sales through October were $150,000 over the ten month period last year, with totals so far this year surpassing the million dollar mark.

More than $3 million worth of angling licenses were sold by the end of October, department officials stated, with only $24,000 to go to equal last year's final total.

Deer tag sales, at $326,000 for the January-October period, were $56,000 ahead of 1951 totals for the same period, they said.

ADVERTISE

17TH DISTRICT V.F.W. PARLEY SLATED IN WEST END CITIES

Between 250 and 300 members of the 35 posts and their auxiliaries are expected in Nevada City and Grass Valley February 13-14 for the quarterly meeting of the 17th District, Veterans of Foreign Wars.

Mosco Smart, commander of Banner Mountain Post 2655, made formal bid for the meeting when he attended the final 1952 quarterly session held recently at Lincoln. The bid was accepted.

The 17th District is composed mainly of mountain counties, running as far north as Oregon and also including Sacramento County.

Notice For Payment of County Taxes

The taxes on all personal property secured by real property and one half of the taxes on all real property for the fiscal year beginning July 1, 1952 and ending June 30, 1953 will be due on November 1, 1952, and will be delinquent on the 10th day of December, 1952 at 5 o'clock p. m. and unless paid prior thereto six percent will be added to the amount thereof. The remaining half of the taxes on all real property will be payable on and after the 20th day of January, 1953, and will be delinquent on the 20th day of April, 1953 at 5 o'clock p. m. Unless paid prior thereto six percent will be added to the amount thereof together with a further charge of $1.00 for each lot, piece or parcel of land separately assessed and for each assessment of personal property.

All taxes may be paid at the time the first installment as herein provided is due and payable.

Taxes are payable at the Treasurer's and Tax Collector's office, Nevada County Courthouse, Nevada City, California.

ELMA HECKER
Ex officio Collector and County Treasurer, Nevada City, California.

TAHOE RESIDENTS HEAR TAX FACTS FROM AUTHORITIES

TAHOE CITY— Last Thursday night 78 citizens, including folks from the south end of Tahoe, Kings Beach, Tahoe City, Truckee and Auburn met at the Tahoe City Community Center building for a session sponsored by the Lake Tahoe-Sierra Chamber of Commerce to enable Tahoeites to hold an open forum on "Tahoe Tax Facts."

Others than local residents present were Bert Foster, deputy state controller, and his charming wife; Walter A. Loynd, of Truckee, president of the Tahoe-Truckee Unified School District; L. S. Geraldson, Placer County assessor; L. L. Anderson and Frank Paoli, Placer County supervisors; Andy Robertson, El Dorado County supervisor. Norman Celio and David Gilmore acted as moderators, opening the meeting with a reading of the over-all finances of the state for a background by Foster.

It greatly heartened those present to learn that there will be no drop in the highways budget of approximately three and a half billion, which is being proposed for state highways. Foster gave an account of where the state gets its revenue and how it, in turn, returns some of this to local and county governments. Questions followed from the floor and further discussion of the local tax problems came to the fore.

Inasmucn as many questions seemingly remained unanswered or immediately unanswerable, Geraldson, at whom many of the questions were directed, invited individuals with inquiries pertaining to his office to write or visit him at his office in Auburn, where he said he would do all he could to eradicate or correct any misunderstandings over property valuations.

Although the discussions apparently left some citizens still in a quandry, it was truly a public service that the Lake Tahoe-Sierra Chamber of Commerce made available this opportunity for Lake Tahoe residents to further their education in matters so vital to their welfare. A unanimous vote of thanks was extended to all officials present for their valuable time and informations so freely given.

Thanksgiving Day Offers New Opportunity

A CHILD with a splinter in his finger will run and tell the story of his misfortune to his mother. He will tell her everything about his mishap, but he will never think to mention that in addition to one sore finger he also has nine others that are perfectly healthy.

MANY OF US are like that child. We let our troubles blind us to our blessings. We worry about the cost of living, forgetting that we are living, and that living is more important than its cost.

THANKSGIVING DAY is an annual invitation to put aside our troubles and to count our blessings. Our forefathers did it. They forgot the fierceness of the coming winter; they forgot the savagery of the surrounding Indians. They forgot everything, except to give thanks to God Whose protecting hand had sheltered them in the past. He had preserved them from evils, and by His loving kindness they hoped to obtain deliverance from all dangers in the future.

In the same spirit today, we pause to thank God Who has blessed us so greatly

WE THANK HIM for national life and freedom. Some countries have perished; others linger on in an agony of slavery But here in this blessed land, we set our own course and strive mightly to do the right — as God enables us to see what is right.

WE THANK HIM for constitutional government. We thank Him for the restraint that law places on ambition. We thank Him for peace-loving fellow citizens who settle their differences not in rioting but at the ballot box.

WE THANK HIM for the sun that shines on American fields, for the rain that gives life to the soil, and for the abundant harvests that nourish our bodily health.

WE THANK HIM for the oil and the mineral wealth and the industries that keep America strong.

WE THANK HIM for the favor with which He looks upon us. He has blessed us and He will bless us. We beg that we may be faithful to Him. We beg that we may use His blessings to achieve

the end for which He gave them.

AND FINALLY, regretting the mistakes we made and the sins we committed in the past, we are thankful for the opportunity to start anew. We appreciate the chance to begin again. Being mindful of His Commandments, we now resolve to live according to His laws. We are fully confident that living thus, He will remove the danger of our enemies and grant peace in our days. (-by John T. Carroll.)

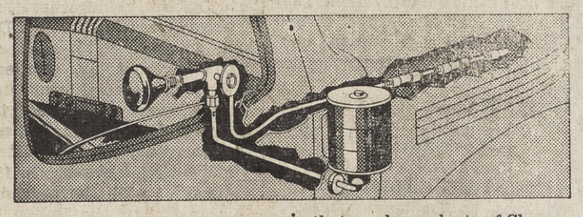
Parents' Birthdates

TAHOE CITY— Home again after a happy trip are Mrs. Ivan Wilson and daughter, Carol, of Lake Forest, who visited in Santa Ana with the former's parents, Rev. and Mrs. Carl Critchett, who celebrated their 78th and 74th birthdates respectively November 10 and 11. Mr. and Mrs. George Youngberg, sister and brother-in-law of Mrs. Wilson, also were in Santa Ana. The trip also included a visit with Mr. and Mrs. James E. Critchett, brother and sister-in-law of Mrs. Wilson, at San Diego.

The EASY-DOES-IT CORNER
by HENRY LOEHR



How to start engines fast in extremely cold weather

Shown above is a dash-installed primer pump designed to inject Chevron Starting Fluid into gasoline or diesel engines.

It works this way: as the operator steps on the starter, he works the pump with his hand. Highly volatile Chevron Starting Fluid goes into the engine and starts it up. Has started engines at 50° below zero!

To prevent ice formation in your fuel lines and tanks, we also recommend Chevron Ban-Ice Fluid in cold weather.

We'll be glad to fill your order for the primer pump for your equipment and, of course, see that you have plenty of Chevron Starting Fluid and Chevron Ban-Ice Fluid all season. We emphasize service because it is the foundation of our local business!

WOMEN'S CLUB GETS THANK YOU NOTE FOR CLOTHES DRIVE

TAHOE CITY— Last Thursday afternoon the Lake Tahoe Women's Club held their regular social meeting at the home of Mrs. Irene LePire of Lake Forest. Mrs. Louise Geier read a letter, sent to the club through Mrs. Phyllis Walsh, chairman of the AWVS in Reno, from Chang-Shi Hwa, superintendent of the Kyong Chun Sa orphanage in Korea, the recipients of the donations to the recent clothing drive in this area. The expression of sincere and heartfelt appreciation shortened the miles from America to those needy youngsters.

After a delicious dessert, cards and visiting were enjoyed by Della Goss, Rose Boyiaredes, Gladys Anderson, Pearl Snyder, Gerda Kvistberg, Audrey Brehler, Dorothy Van Allen, Lucille Huego, Mildred Brown, Laura Wilson, Jeannette Mitchell, Wilma Korich, Pauline Sheehan and Martha Snyder.

ORDINANCE NO. 7
AN ORDINANCE CALLING AND PROVIDING FOR A SPECIAL DISTRICT ELECTION TO BE HELD IN THE DONNER SUMMIT PUBLIC UTILITY DISTRICT FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED ELECTORS OF SAID DISTRICT THE PROPOSITION OF INCURRING A BONDED INDEBTEDNESS AND PROVIDING FOR THE GIVING OF NOTICE THEREOF.

BE IT ENACTED by the Board of Directors of the Donner Summit Public Utility District, Nevada and Placer Counties, California, as follows:

1. A special District election is hereby called and ordered to be held on Tuesday, the 16th day of December, 1952, for the purpose of submitting to the qualified electors thereof the following proposition as to whether said District shall incur a bonded indebtedness, to-wit:

PROPOSITION: Shall the Donner Summit Public Utility District, Nevada and Placer Counties, California, incur a bonded debt of $85,000.00 lawful money of the United States, together with interest thereon at a rate not to exceed six per cent (6%) per annum, for the acquisition and construction of a certain public utility and utility works, which is the project of providing water supply, storage and distribution facilities for domestic and fire protection purposes, and the acquisition of lands and easements therefor for the benefit of said District and of its inhabitants, together with such incidental work as may be necessary to complete such project?

2. The estimated cost of the acquisition and construction of the public utility and utility works is $85,000.00.

3. Said Board of Directors heretofore, and on the 30th day of September, 1952, duly passed its Resolution No. 18 duly declaring that the public interest and necessity of the District demand the acquisition and construction of said public utility and utility works and did, on the 30th day of September, 1952, duly pass its Resolution No. 21 wherein it was found that the cost of same is too great to be paid out of the revenue of said District, derived from the operation of its public utilities, in addtion to the other necessary expenses of said District. In conjunction therewith it is now found and determined that said public utility and utility works are revenue producing but that the entire or any part of the cost of said public utility and utility works will be too great to be paid out of the revenue of said District derived from the operation of its public utility, in addition to the other necessary expenses of the District, and that it is necessary to incur a District bonded indebtedness therefor in order to construct same.

4. The proposed method and manner of payment of the bonded indebtedness herein proposed to be incurred for the acquisition of utility and utility works is from the revenues to be derived from the operation of said utility and utility works to be supplemented by an annual ad valorem tax levy by the District upon the taxable property in the District to such extent as is necessary to pay all installments of principal and interest as they accrue.

5. The said special District election shall be held and conducted, the votes thereof canvassed, the returns thereof made, and the result thereof ascertained, determined, and declared in the manner herein provided, and in all particulars not prescribed by this Ordinance, in the manner provided by law.

6. There shall be one election precinct designated Precinct "A" which precinct is a consolidation of Summit and Cisco Precincts in the County of Placer and Soda Springs Precinct in the County of Nevada, as said precincts were last established by the respective Boards of Supervisors of the Counties of Placer and Nevada for the conduct of general elections in said Counties insofar as they fall wholly or partially within the Donner Summit Public Utility District. The polling place for said precinct and the election officers therefor are as follows:

Polling Place: Donner Summit Lodge.
Inspector: Charles M. Patten.
Judge: James Sherritt.
Clerk: Eleanor Johansen.
Clerk: John Horak.

7. All qualified electors in the District shall be qualified to vote upon the proposition herein submitted at the special election.

8. Ballots for said election shall be provided of the form and the number provided by law. On said ballots two voting squares shall be set off to the right of the proposition submitted at said election, in the manner provided by law, one having the word "Yes" printed before it and the other having the word "No" printed before it.

9. Each voter to vote for said proposition and for incurring said bonded indebtedness shall stamp a cross (X) in the blank space opposite the word "Yes" on the ballot to the right of said proposition, and to vote against said proposition and against incurring said indebtedness shall stamp a cross (X) in the blank space opposite the word "No" on the ballot to the right of said proposition.

10. The Clerk of this District is hereby directed to procure the necessary rosters, ballot boxes and all other supplies necessary to properly and lawfully conduct said election.

11. The polls shall be opened at seven o'clock A. M. of said day and shall be kept open until seven o'clock P. M. of said day when the polls shall be closed, except to voters then in line as provided in Section 5734 of the Elections Code.

12. When the polls are closed the Election Officers shall count the ballots cast thereat and canvass the votes cast respectively for and against the proposition herein stated, and shall make return thereof to the Clerk of said District immediately upon completion thereof. The Board of Directors shall meet on the first Monday after the election to canvass the returns.

13. If, at said election, it shall appear that two-thirds of all the votes cast thereat were in favor of and authorize the incurring of a bonded indebtedness in the amount stated in the proposition, then said proposition shall be deemed to have been accepted and approved by the electors, and bonds shall be issued to defray the costs of the improvement or improvements therein specified and to the amount or aggregate of the amounts stated therein.

14. Bonds shall be of the form known as "serials", and shall bear interest at the rate of not to exceed six per cent (6%) per annum, shall be of the denomination of $1,000 each, and the principal and interest thereof shall be payable in lawful money of the United States. All of said bonds shall bear interest from the date thereof until the principal amount is paid at such rates as shall be determined in the resolution awarding sale of the bonds. Said interest shall be represented by coupons during the term thereof, the first of which shall be payable on January 1, 1954 and subsequent coupons shall be for semi-annual interest payable on the first day of January and July of each year, the first of which shall be payable July 1, 1954.

15. Said bonds shall be substantially in the following form:

UNITED STATES OF AMERICA
STATE OF CALIFORNIA
NEVADA AND PLACER
COUNTIES

BOND NO. $1,000

DONNER SUMMIT PUBLIC UTILITY DISTRICT WATER BOND OF 1953

On the first day of July, A.D., 19....., the Donner Summit Public Utility District, a duly organized public utility district under the laws of the State of California, for value received, hereby promises to pay to the bearer, at the office of the Treasurer of said District, the sum of One Thousand Dollars ($1,000.00) in lawful money of the United States of America, together with interest at the rate of ..... per cent (.....%) per annum from the date hereof until the principal amount of this bond is paid, said interest to be represented by coupons during the term hereof hereto attached, the first of which shall be payable on January 1, 1954 and subsequent coupons shall be for semi-annual interest payable on the 1st day of January and July of each year, the first of which shall be payable on July 1, 1954.

This bond is one of a series of bonds of like amount, date, tenor and effect, but differing in maturity, issued by said District for the following purposes, to wit: the acquisition, construction and completion of a certain public utility and utility works, which is the project of providing water supply, storage and distribution facilities for domestic and fire protection purposes for the inhabitants of said District, to wit: a water storage reservoir, water mains, hydrants and appurtenances thereto necessary to complete said project, together with lands and easements necessary therefor.

This bond is issued under and in pursuance of and in conformity with, an Act of the Legislature of the State of California known and cited as "Donner Summit Public Utility District Act (Stats. 1950 First Extraordinary Session, Page 450) and "The Public Utility District Act" (Stats. 1921 p. 906, as amended), and it is hereby certified, asserted and declared, that this bond is issued in pursuance of, and in conformity with, the Constitution and laws of the State of California, and with the ordinances, resolutions and orders of said District, and in pursuance of, and in conformity with, a vote of more than two-thirds of all of the qualified electors of said District, voting at a special election duly and regularly called and held in said District, as provided in said Act, on the 16th day of December, 1952, notice thereof having been duly and regularly given in the manner and for the period required by law, and that the result of said election has been canvassed, declared and entered in the manner and as required by law.

It is further certified and declared that all of the provisions and requirements of the Constitution and laws of the State of California and the ordinances, resolutions and orders of said District have been duly and regularly and fully complied with by the proper officers of said District in the issuance of this bond; that all acts and things and conditions required by law to be done preceding and in the issuance of this bond, have been done and performed in regular and due form, and in strict conformity with the provisions of the law authorizing this bond, and that the total indebtedness of said District, including the total indebtedness evidenced by this issue of bonds, does not exceed the limits prescribed by the Constitution and laws of the State of California.

The Board of Directors shall annually levy and collect a tax upon all of the taxable property within said District sufficient to pay the annual interest on the bonds of this issue, and also to pay such part of the principal as will fall due within the succeeding year, as may be necessary to provide for the sinking fund payments of the next succeeding year; provided, that when the interest and sinking fund payments for any fiscal year on the bonds of this issue can be met out of the surplus earnings of the public utility and utility works for which it was issued, or out of moneys in the general fund of the District and theretofore appropriated and transferred to the sinking fund of such public utility and utility works, no tax shall be levied for such purpose.

Bonds of this issue are declared by statute to have the same force, value and use as bonds issued by a municipality of this State.

IN WITNESS WHEREOF, said Donner Summit Public Utility District has caused this bond to be signed by the President of the Board of Directors thereof and countersigned by the Clerk, who has affixed thereto the seal of said District, all on the 1st day of January, 1953.

.....
President of the Board of Directors of Donner Summit Public Utility District.
Countersigned:

.....
Clerk and ex-officio Secretary of the Board of Directors of said District. (SEAL)

16. The interest coupons attached to each of said bonds and evidencing interest to accrue thereon shall be numbered consecutively and be signed by the Treasurer by facsimile signature, and said bonds and coupons shall be payable at the office of said Treasurer, and said coupons shall be substantially in the following form:

Coupon No. ..... $.....
Donner Summit Public Utility District
NEVADA AND PLACER COUNTIES, CALIFORNIA
Will pay to the bearer hereof, on the .... day of ....., 19...., $..... at the office of the Treasurer of said District, said sum being the semiannual interest due on its Bond No. ..... of Water Bonds of 1953.

.....
Treasurer

17. The first maturity or redemption of the bonds to be issued pursuant to the proposition herein submitted shall be and commence on July 1st, 1954, and commencing with said date said bonds shall mature and be redeemed in the consecutive order of their numbering on July 1st of each year, $1,000 in each of the first 5 years, $2,000 in each of the next 10 years and $3,000 each year for the last 20 years.

18. Copies of this ordinance shall be posted by the Clerk at three public places in said District. It shall also be published twice in the Sierra Sun and Truckee Republican a weekly newspaper of general circulation printed and published in the County of Nevada and circulated in said District, here being no daily or weekly newspaper of general circulation printed and published in said District. Said posting and publishing shall each be had within three weeks after the date of the adoption hereof. No other notice of said election need be given.

CHARLES F. VIND
President Pro tem of Donner Summit Public Utility District.
ATTEST: HENRY W. PICHE'
Clerk and Ex-officio Secretary of the Board of Directors.

I hereby certify that the foregoing ordinance was passed by the Board of Directors of the Donner Summit Public Utility District at a meeting thereof held on the 7th day of November, 1952, by the following vote:

AYES, and in favor thereof, Directors: Virgil G. Misener, Elmo Moriano, Henry W. Piche', Charles Vind

NOES, Directors: None

ABSENT, Directors: William Rutherford.

HENRY W. PICHE'
Clerk and Ex-officio Secretary, Donner Summit Public Utility District. n27d4

NOTICE OF TIME AND PLACE OF HEARING ON ORDINANCE DESCRIBING TERRITORIES PROPOSED TO BE ANNEXED, DETERMINING THAT NO TERMS AND CONDITIONS ARE NECESSARY AND DECLARING INTENTION TO APPROVE SUCH ANNEXATIONS ANNEXATIONS NOS. 1952-1 and 1952-2

NOTICE IS HEREBY GIVEN that Petitions for the annexation of certain territories to the Donner Summit Public Utility District under the Public Utility District Act, have been presented to the Board of Directors of the said District; that on the 7th day of November, 1952, the said Board of Directors adopted Ordinance No. 8, AN ORDINANCE DESCRIBING TERRITORIES PROPOSED TO BE ANNEXED, DETERMINING THAT NO TERMS AND CONDITIONS ARE NECESSARY, AND DECLARING INTENTION TO APPROVE SUCH ANNEXATIONS; that it has fixed Tuesday, the 9th day of December, 1952, at the hour of 8 o'clock P. M., in the regular meeting place of said Board, Beacon Hill Lodge, Soda Springs, California, as the time and place for hearing on said ordinance; and that all persons interested in or that may be affected by the proposed annexation of said territories within the District are hereby notified to appear at such meeting and show cause in writing, if any they have, why said territories or any part thereof should not be annexed as proposed in said petition.

Reference is hereby made to said ordinance on file in the office of the Secretary of said District for a description of the boundaries of said territories, and for further particulars. A copy of said ordinance is published with this notice. Dated: November 7, 1952.

HENRY W. PICHE'
Clerk and ex-officio Secretary of the Donner Summit Public Utility District.

ORDINANCE NO. 8
AN ORDINANCE DESCRIBING TERRITORIES PROPOSED TO BE ANNEXED, DETERMINING THAT NO TERMS AND CONDITIONS ARE NECESSARY, AND DECLARING INTENTION TO APPROVE SUCH ANNEXATIONS
ANNEXATIONS NOS. 1952-1 and 1952-2

BE IT ENACTED BY THE BOARD OF DIRECTORS OF DONNER SUMMIT PUBLIC UTILITY DISTRICT:

WHEREAS, petitions signed by a majority of the qualified electors in certain unincorporated territories contiguous to the Donner Summit Public Utility District, and being in the same Counties as said District, asking that such territories be annexed to said District and consenting to such annexations without an election and without any special terms and conditions, were addressed to the Board of Directors and filed with the Secretary of the District on the 7th day of November, 1952, in accordance with the provisions of Section 51a of the Public Utility District Act of the State of California;

WHEREAS, the said Secretary has compared the signatures of said petitions with the affidavits of registration on file with the County Clerk of Nevada County, and has found and certified to this Board that said petitions have been signed by the required number of electors in said territories, and has attached his signature to the said petitions and presented said petitions to this Board;

NOW, THEREFORE, IT IS ORDERED, as follows:

Section 1. It is hereby determined that the annexation of said territories will facilitate the acquisition, construction, completion and operation of that certain proposed public utility work of the District, to wit: a domestic and fire protection water supply, storage and distribution system; that such annexations will be advantageous to said District; and that the territories proposed to be annexed will be benefited by said proposed annexations.

Section 2. It is hereby determined that no terms and conditions for such annexations are necessary.

Section 3. The exterior boundaries of said territories to be annexed are as described in Exhibits hereto attached and by reference made a part hereof.

Section 4. It is hereby declared to be the intention of this Board to approve such annexations.

Section 5. This ordinance, together with a notice, in form a copy of which is hereto attached and made a part hereof by reference, shall be published once in the Sierra Sun and Truckee Republican, a newspaper of general circulation, printed and published in Nevada County, and shall be posted in three public places in each of the territories proposed to be annexed at least thirty days before the date set for said hearing.

EXHIBIT "A"

DESCRIPTION OF PROPERTY TO BE ANNEXED TO DONNER SUMMIT PUBLIC UTILITY DISTRICT
ANNEXATION NO. 1952-1

All that real property situate in the County of Nevada, State of California, described as follows, to wit:

A portion of the Southwest quarter of Section 23, Township 17 North, Range 14 East, MDB& M., described as follows: Beginning at a point in the South line of State Highway (U.S. Highway 40) as delineated upon the plans of the Survey between ½ miles West of Soda Springs and Donner Summit, Road III-Nev-Pla 37-B as said plans were approved on September 19, 1936; from which point the quarter corner on the West line of Section 23, Township 17 North, Range 14 East, MDB& M., bears North 51.99 feet; and running thence along the South line of said Highway on the arc of a curve to the left whose radius is 1040 feet, said arc being represented by the chord whose bearing and distance is South 87 degrees 35' 30" East 310.23 feet; thence along the South line of said Highway North 83 degrees 50' East 226.52 feet to the West line of the property described in deed of Jones to Vail, recorded October 18, 1946, in Book "107" of Official Records, at page 333; thence along the West line of said Vail property South 6 degrees 10' East 97 feet, more or less, to the North line of Central Pacific Railway right of way; thence Westerly along the North line of said railway right of way a distance of 548 feet, more or less, to the West line of Section 23; thence Northerly along the West line of said Section 23 a distance of 133 feet, more or less, to an angle point in the South line of said Highway; thence North along the South line of said Highway a distance of 10.18 feet to the point of beginning, together with all water rights appurtenant thereto.

EXHIBIT "A"

DESCRIPTION OF PROPERTY TO BE ANNEXED TO DONNER SUMMIT PUBLIC UTILITY DISTRICT
ANNEXATION NO. 1952-2

All that certain real property situate in the County of Nevada, State of California, described as follows, to wit:

A parcel of land containing 1.01 of an acre, more or less, in the Southwest quarter of the Northwest quarter of Section 23, Township 17 North, Range 14 East, M. D.B.&M., described as follows, to wit:

Beginning at a point bearing North 52 degrees 46' East and distant 722.59 feet from the quarter corner common to Sections 22 and 23; thence South 57 degrees 38' East for a distance of 75.00 feet; thence North 32 degrees 22' East for a distance of 100.00 feet; thence North 57 degrees 38' West for a distance of 75.00 feet; thence North 32 degrees 22' East for a distance of 63.92 feet; thence North 6 degrees 10' West for a distance of 50.00 feet; thence North 83 degrees 50' East for a distance of 131.60 feet; thence South 6 degrees 10' East for a distance of 256.38 feet; thence South 83 degrees 54' West for a distance of 189.56 feet; thence North 55 degrees 40' West for a distance of 83.12 feet; thence North 32 degrees 22' East for a distance of 30.62 feet to the point of beginning, of said parcel of land; and

Tracts of land laying in the Southwest quarter of the Northwest quarter of Section 23, Township 17, North Range 14 East, M. D.B.&M., described as follows, to wit:

Beginning at point which bears North 56 degrees 24' East a distance of 524.99 feet from the quarter corner common to Sections 22 and 23 of said Township and Range, thence North 6 degrees 10' West a distance of 35.59 feet; thence North 83 degrees 54' East a distance of 80.00 feet; thence South 6 degrees 10' East a distance of 35.50 feet; thence South 83 degrees 50' West a distance of 80.00 feet to the point of beginning and containing 0.07 acres; and

Beginning at a point which bears South 32 degrees 22' West a distance of 30.62 feet from a 1 inch iron pipe which bears North 52 degrees 46' East a distance of 722.59 feet from the quarter corner common to sections 22 and 23, Township 17 North, Range 14 East thence South 55 degrees 40' East a distance of 83.12 feet; thence South 83 degrees 54' West a distance of 63.22 feet; thence North 6 degrees 10' West a distance of 53.91 feet to the point of beginning and containing 0.039 acres, more or less; and

Beginning at a point which bears North 65 degrees 45' East 949.5 feet from the quarter corner common to Sections 22 and 23, Township 17 North, Range 14 East, thence South 83 degrees 54' West a distance of 50.0 feet, thence North 6 degrees 10' West a distance of 256.44 feet, thence North 83 degrees 50' East a distance of 50.0 feet, thence South 6 degrees 10' East a distance of 256-50 feet to point of beginning and containing 0.29 acres, more or less; and

Beginning at a point which bears North 66 degrees 59' East 637.9 feet from the quarter corner common to Sections 22 and 23, thence North 83 degrees 50' East a distance of 126.9 feet, thence North 6 degrees 10' West a distance of 85.3 feet, thence South 83 degrees 54' West a distance of 126.9 feet, thence South 6 degrees 10' East a distance of 85.5 feet to the point of beginning, containing 0.25 acres, more or less; and

A tract of land lying Northerly and adjacent to "Soda Springs Subdivision" in Section 23, Township 17 North, Range 14 East, M. D.B.&M., described as follows:

Beginning at a point which bears North 57 degrees 20' East from the quarter corner common to Sections 22 and 23 of above township and range a distance of 1252.10 feet; thence North 6 degrees 10' West a distance of 168-.09 feet; thence South 83 degrees 50' West a distance of 591.67 feet; thence South 6 degrees 10' East a distance of 141.37 feet; thence North 83 degrees 50' East a distance of 454.95 feet; thence South 6 degrees 10' East a distance of 26.72 feet; thence North 83 degrees 50' East a distance of 136.72 feet to point of beginning, and containing 2.0 acres, more or less; and

All that certain lot, piece or parcel of land situate, lying and being in the County of Nevada, State of California, and bounded and particularly described as follows, to wit:

Beginning at the Southwest corner of the lot herein described, an iron pipe 1 inch diameter set flush in the ground, from which the one-quarter section corner on the west line of Section 23, Township 17 North, Range 14 East, M.D.B.&M., bears South 52 degrees 46' West 722.59 feet; thence North 32 degrees 22' East 100.00 feet to the northwest corner, an iron pipe ½ inch in diameter set flush in the ground; thence South 57 degrees 38' East 75.00 feet to the northeast corner, a steel bar ¾ inches square, set in the ground thence South 32 degrees 22' West 100.00 feet to the southeast corner, an iron pipe, 1 inch diameter set in the ground; thence North 57 degrees 38' West 75.00 feet to the Southwest corner and the place of beginning.

The above described lot being in the Southwest Quarter of the Northwest quarter of Section 23, Township 17 North, Range 14 East, M.D.B.&M., at Soda Springs, Nevada County, California.

WHAT BECOMES OF TROUT PUT INTO S.F.'S LAKE MERCED?

SAN FRANCISCO— What happened to the several thousand trout which have been planted in San Francisco's Lake Merced during the past three years?

That was the unsolved mystery confronting state fish and game division workers here when it was disclosed a grand total of only 32 trout were recovered following poisoning of the waters of the lake in a campaign to clean out trash or rough fish.

Following application of the poison it was reported the trout succumbed very rapidly, all recoveries being made within an hour or an hour and a half after the poison hit the water. On the other hand, it required at least four hours to recover any carp.

Largest fish taken was a 14 pound carp. Heaviest rainbow trout recovered weighed 6¼ pounds. Thousands of stickleheads and a tremendous number of bullheads, some of them as large as a pound, were killed. It was thought the big bullheads might easily have feasted on the small trout as rapidly as they were planted.

The lake will require at least 30 days before it is capable of sustaining fish again and it was anticipated trout will not be planted until some time in January or perhaps later.

TAHOE TOPICS

(Continued from Page 3)

were Stein Nielsen and Willie Arnholds.

Friends, neighbors and SUN-scribers will be sorry to learn they have lost their favorite news correspondent in these parts, Swanee, for the balance of the winter. Meanwhile yours truly, Jeannette Mitchell, will endeavor to carry on in her behalf. We'll appreciate it if you'll contact me with any news about yourself, your neighbors or your organizations by telephoning Tahoe City 316R or writing P.O. Box 367, Tahoe City. Mrs. Eleanor Swanson (Swanee, to you), after many winters up here will be chuckling over her memories of snow laden months while sojourning with the Bud Scotts in Carmel by the Sea.

Hear we are also losing Mr. and Mrs. Martin Spitsen and family for the winter. They plan to leave for Sacramento before Thanksgiving.

Mr. and Mrs. C. W. Vernon of Tahoe City will be Thanksgiving Day guests of their daughter, Airman 2nd Class Florence W. Vernon, who is in the U. S. Air Force at Hamilton Field. The local couple have had a menu of the feast, sent least week. The Vernons will also visit Oakland and leisurely go to Los Angeles for a two weeks vacation.

Was sorry to hear that Mrs. Sam Goss, now helping her hubby as caretakers at Tahoe Tavern, suffered extremely painful burns on her right hand when her knee gave way and she was thrown against a hot stove. A speedy recovery, Della, for we hear you are awaiting the arrival of your four great - grandsons, Grant, Gary, Christopher and Michael, accompanied by their mother and father, Mr. and Mrs. Chris Buermer of Santa Cruz.

Well, that's all for now folks. With happy birthday thoughts from all of us to our absent neighbors, Mrs. Evelyn Bliss and Mrs. Stella Watson, and a very happy Thanksgiving to you all.

West Offers Opportunity To Leather Industries

SAN FRANCISCO— Shoe manufacturers of the nation are overlooking a "singular opportunity" in failing to establish large shoe factories on the Pacific Coast, according to E. Floyd Forbes of San Francisco, president and general manager of the Western States Meat Packers Association.

Addressing the annual convention of the National Hide Association at Chicago recently, Forbes said the Pacific Coast states already offer a potential market of 50,000,000 pairs of shoes a year and a steady increase in the present market may be expected.

At the present time, Forbes said, the west provides 15 per cent of the nation's hides, of which about 80 per cent are shipped east where they are tanned and processed and shipped back west as finished leather products.

Western hides are steadily improving in quality and an abundant source of tanning material is or can be made available as the basis of a processed leather industry, Forbes said.

WE HAVE BOTTLED GOODS AND ICE CUBES TO TAKE OUT

NORTH TAHOE

by THELMA BURROUGHS

Our little globe trotter, Mrs. Anna Blaue, has taken off again for the winter months, going to Ventura and other southern California points until next spring.

Mr. and Mrs. J. M. Siple left Tahoe Vista this week for Glendale. The A. M. Greenes of Kings Beach plan to spend some time at Palm Desert, Calif. C. C. Rapier of Kings Beach now has a winter address at Auburn. And so they go.

The North Tahoe Woman's Club can again well be proud of its program of the night of November 21 at Carpenters Hall. By popular demand the gals re-enacted their "On the Air" play of last year. It was equally as entertaining this time as last. Some of the players, if possible, were even better. Mr. and Mrs. Joe DeGregorio did a couple of folk dance numbers that nearly brought down the house. Jean and Jerry Little, Lillian and Steve Port, Sophia and John Levra, Mr. and Mrs. Gene Thompkins did, for an appreciative public, a couple of square dances. The Boy Scouts were present with their Scout leader. The boys, one by one, made short talks on merits of scouting. There was plenty of evidence that in these hills most peolike a good program of live entertainment. The Woman's Club did a fine job and are to be congratulated.

At a general meeting of the Lake Tahoe-Sierra Chamber of Commerce at the Community Center in Tahoe City last Thursday night a surprisingly good crowd came out to hear Bert Foster, deputy state controller from Sacramento; Lloyd Geraldson, Placer County assessor; Andy Robertson, El Dorado County supervisor; L. L. Anderson and Frank Paoli, Placer County supervisors, and W. A. Loynd, president of the Tahoe-Truckee Unified School District, explain taxes. Can anyone or one group explain such a subject to the mutual satisfaction of all? We don't think so. However, it was an informative meeting and those who went there with an open mind to learn surely could not have sat through that meeting without benefit.

Tickets are out for the "Fireman's Ball" to be held at Joby Lewis' Cal-Vada Lodge December 13th. Get yours at any business house in or around Kings Beach.

Sunday was a happy occasion when Mary Abbott and Minnie Wagner spent that day at Applegate with friends of the Abbotts, Mr. and Mrs. Herman Fast. The Fasts and Abbotts were neighbors in Bakersfield and Shafter many year ago, beginning in 1920 when Asa Abbott and Fast were active in the labor union movement and this enduring friendship developed. Diana and Jacquie Abbott and Shirley Wagner spent the day at the Carter ranch at Penryn, having a wonderful time horseback riding while Mary and Minnie did their visiting. They also called at the Paoli ranch, visiting with Frank, Jean and the children, at the time inviting them to spend Thanksgiving at Kings Beach.

Joellyn and Danny Ashton are spending Thanksgiving vacation with their grandparents, Judge and Mrs. Harry Charrison.

A pall of smoke hangs low over our community as a result of slash burnings over a wide area where timber has been cut out in the past season. It is alarming for those who do not know from whence the smoke stems. Your North Tahoe fire protection truck, with driver Max Krueger and P. M. Burroughs, made the rounds last Friday and a close check will be kept on things as long as the condition exists.

The Ernie Crawfords left on Tuesday to spend Thanksgiving in Los Angeles.

Supervisor Frank Poali, who represents this district on the county board, apparently met the challenge of Lyn Lardner on November. Paoli's narrow 129 vote lead was stretched when he reportedly polled 132 absent voter's ballots to 97 for Lardner in the tally this week.

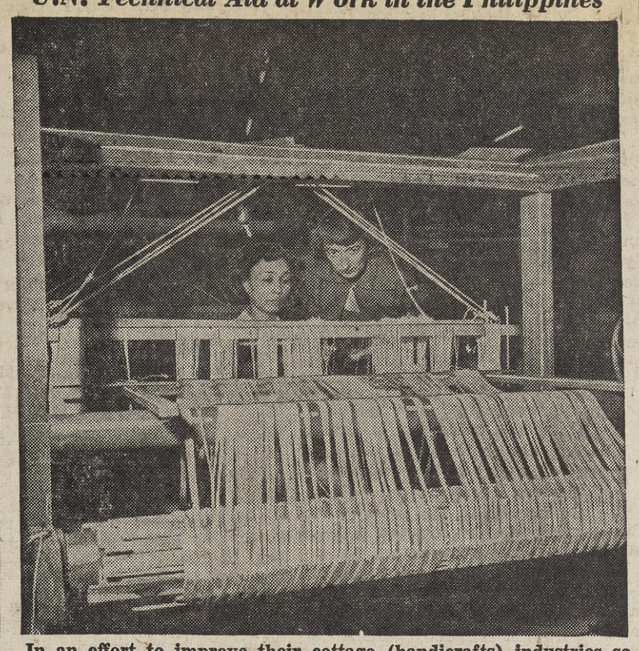
Symphony Tax

San Francisco is the only city in the United States which includes an it&em in its tax rate for support of its symphony orchestra.

U.N. Technical Aid at Work in the Philippines



In an effort to improve their cottage (handicrafts) industries so that they can supply domestic demands, the Philippines Government requested technical assistance from the United Nations. Expert training teams were provided by U.N. to aid in Government-sponsored projects. Miss Lysbeth Wallace, U.N. weaving expert, is shown guiding the weaving of mosquito netting on a fly-shuttle loom. Miss Wallace is part of the U.N. team now working in the PRISCO (Philippine Stabilization Corporation) project in Manila.

TAHOE LAKE SCHOOL

Last Thursday the Tahoe Lake School presented an assembly for students and parents, each room offering a part of the program as follows:

Kindergarten and first grade: sang five songs and dramatized "Three Billy Goats Gruff" with Erica McLane, Janis Giannini, Dennis Fleming and Jimmie Randall taking leading roles. They concluded their part of the program with a folk dance. The teacher, Mrs. Bark, directed the youngsters and accompanied them at the piano.

Scond and third grades: vocal numbers were done by Karen Grahn, who sang "Good Night;" Sharon Quinn, Binth Rustad and Betty Proctor, who sang "Echo;" Suzanna Sprague, Carolee Campbell and Sharon Quinn, who sang "Jingle Bells." Jeanne Spitsen offered two piano solos, "From a Wigwam" and "The Juggler" and Sandra Fellows played one, "Up We Go." Sandra Fellows and Vicki Jo Rich put on a skit called "The Golden Flower" and Danny Conners, Parky Bechdolt and Joe Sheehan did one called "Boxing."

Fourth, fifth and sixth grades: Bobby Porter played two piano solos, "The Air" and "By the Pond." Vocal numbers were done by Diane Speeter who sang "Little Red Handkerchief;" Carolyn Henry who sang "The Bells of St. Mary's;" Jo Ann Pomin and Ellen Rich sang "Steal Away;" Rex Donaldson, "We Three Kings;" Mary Ann Stark and Diane Speeter, "Dixie;" Donnie Henry, "Silent Night;" Trent Giannini, Doug Ball and Jeff Davis, "The Marine's Hymn." A skit, "The Singing Teacher by Gary Henry, Randy Pomin and Bobby Porter concluded the program. Vocalists were accmpanied by their teacher, Mrs. Briggs.

A brief PTA meeting followed the assembly.

FOR RENT— Two and four room cabins. Truckee Resort.

My Place In the Sun

by DOUG BARRETT

A two column picture of Soda Springs under its recent blanket of snow appeared in a St. Joesph, Mo., newspaper.....making Daryll Gaiennie, now veeping a power company back in the Show Me State, homesick.....I don't blame him much, since the clips he sent his mother, Mrs. Frank Gaiennie, told of a building wrecking tornado coming within three miles..... and showed a picture of hailstones as big as baseballs which fell within six miles.....Dr. and Mrs. Oliver Scow in Oscar Quam's Truckee Shoe Store.....meeting the repeating problem of shoes for a growing family.....Nels Espalande and E. L. Kohl off to Grass Valley Saturday.....to attend the district council meeting of the carpenters' union.....Mary Marquis extended her SUNscription.....with the remark that she is only 33 miles away (in Reno) and wouldn't be without the local news.....One problem along Commercial Row, as I see it, isn't so much the fact that folks park their cars.....it's that so many of them just seem to drive up and abandon them.....Cleo Klein leaving her apartment carrying a mammoth and neatly wrapped Christmasy parcel.....for early mailing at the post office..... which reminds me (and should remind you) to get it done early and insure delivery before Christmas .....Dick Joseph and Bill Rindfleisch standing on the sidewalk in earnest consultation.....and in below freezing temperatures..... Miles Horne, with his silvery headgear, reviewing his mail at the writing stand in the post office..... H. L. "Bud" Owens in his green wagon headed west.....to work on the electrical installations at the state's new quarantine station..... where they're working to meet a deadline for opening next week..... What am I thankful for this Thanksgiving?.....most of all, the gift of life and the faculty for hope.....from which stem the multitude of my other blessings and happiness.....

DIVORCE ACTION SEEKS ALIMONY

Constance Julia Euer has filed a complaint in the Nevada County superior court against Louis Eugene Euer, asking the court to enforce a Reno divorce of last year under which, she says, he was to pay her $200 a month since April 1, 1950. She charges he has paid only $400 and sues for $3800 back alimony.

TURKEY TROPHY AT SQUAW VALLEY

SQUAW VALLEY— Second annual "Turkey Trophy" at Squaw Valley will mark the opening of ski racing in this country this weekend.

Under the official sanction of the Far West Ski Association, the popular event is slated to get underway on Sunday morning. Walt Clemmons, FWSA competition chief, advised the Squaw Valley ski club this week that race cards would be required of competitors. However, as in previous years, application may be made in person at the first event of the year, enabling all racers to compete.

o

TWO PRISONERS TAKEN TO JAIL

Deputy Sheriff Elmer Oates was in Truckee last Thursday to take two prisoners to the Nevada County jail at Nevada City.

The two at Truckee were William R. Robinson, wanted by San Diego police and unable to raise $1,000 bail, and a woman who had walked out of the Napa State Hospital to freedom. The latter was caught at Reno. Officers there took her to the nearest California town, Truckee, and Oates took her to the county seat.

VETERANS WILL ENJOY TURKEY THANKSGIVING

Veterans Administration went to market on a huge scale to bring all the trimmings of Thanksgiving Day to the 100,000 ill and disabled veterans in its hospitals and homes.

Menus in hospitals across the country are featuring the same traditional Thanksgiving Day fare that many of the patients' families will be enjoying at home.

Dinner at VA will start with celery hearts, stuffed olives and radishes. Next will come the main dish and all that goes with it: roast turkey, dressing, giblet gravy, cranberry sauce, potatoes, vegetables, a salad, hot rolls and butter, and coffee, tea or milk. And, of course, it's pumpkin pie for dessert.

VA has had to buy food by the truckload to prepare for 100,000 Thanksgiving Day feasts.

It brought back from market 110,000 pounds of turkey, 30,000 pounds of potatoes, 22,500 pounds of cranberries, 700 gallons of olives and tons of other kinds of choice food.

Bake ovens in hospital kitchens will be busy Thanksgiving turning out 10,000 dozen hot, fluffy rolls and 25,000 golden-brown pumpkin pies, for which 24 tons of canned pumpkin are required.

To bring the proper holiday atmosphere into VA hospitals, thousands of VA's Voluntary Services — volunteers from nearby communities — spent countless hours decorating wards, day rooms and dining rooms.

Guests for a Day—

Mr. and Mrs. Frank Gaiennie are Thanksgiving guests of Mr. and Mrs. Stanley Martin at Lovelock, Nevada.

Eight Years Old—

Rickie Rockholm was eight years old November 26.

Hunting in Valley—

Among those hunting in the valley area over the weekend were Reg Smart, Bob Leamon, Abe Bertolozzi and Steve Kolos.

Observes Birthdate—

Mrs. Martin Sturcke observed her birthdate on Sunday, November 23.

Guests Today—

Mr. and Mrs. Robert Saunders are hosts today to Mr. and Mrs. W. F. Holmes Jr. and Mrs. H. L. Parish, all of Winnemucca, and Mr. and Mrs. Temple Clewe of Sacramento.

S. P. SEEKS BIDS ON 2,000 MORE FREIGHT CARS

Southern Pacific is asking for bids on another 2,000 new freight cars, although 6,300 cars are still to be delivered on its previous orders, D. J. Russell, president of the railroad, has just announced.

The new orders will raise to approximately 40,000 the number of new freight cars acquired or ordered by Southern Pacific since the end of World War II.

Since January 1, 1946, capacity of the Southern Pacific freight car fleet in service has been increased about 31 per cent, contrasted to a national average gain of about 4 per cent, Russell pointed out.

The new orders will include mostly gondolas and open and covered hopper cars. Although costs of the new cars will not be known until bids are in, it is estimated they will raise to more than $440,000,000 the railroad's appropriations for postwar equipment. These appropriations include Southern Pacific's share of over 10,200 new refrigerator cars for the jointly owned Pacific Fruit Express.

o

Cancel Dance

President Harvey Hocker announced yesterday that the 20-30 Club's dance, scheduled for December 6, has been cancelled because of a conflict with a party being given by the Truckee Volunteer Fire Department the same evening. Hocker said the dance date will be named in January.

o

Change of Address—

Rose Belli who recently left here for Folsom has moved to Manteca.

Sister Passes—

Mrs. Rex Thomas was called Wednesday to Deer Lodge, Mont., to attend last rites for her sister, Mrs. Maxine Harrison, who passed away from gunshot wounds suffered recently in a hunting accident.

CUB SCOUT FETED

A decorated cake and punch were served by Cub Scout den mother Mrs. Gilbert Kumle on Monday afternoon in honor of the birthdate today of Eugene Miller. Sharing in the treat, following the regular meeting, were Barry Leamon, Terry Walker, Quentin Kay, Mike and Chris Kumle.

o

Birthdate Observed—

Mrs. E. L. Loynd celebrated her birthdate November 22 with her family.

o

BUY AND USE CHRISTMAS SEALS!

CAR WRECKED

Mrs. E. O. Buntrock and her sister, Miss Dorothy Marsh, both of Weimar, escaped injury Friday when their car skidded near Donner Summit Lodge and plummeted 30 feet into a snow bank.

o

Vacation Bound—

Mr. and Mrs. R. N. Little left for a vacation on Tuesday and are guests of Mr. and Mrs. Richard George in the bay district today.

See Game Televised—

Mr. and Mrs. James Walker spent the weekend in Berkeley and viewed the USC-UCLA football game on television.
